

# User Guide

Car sharing is just as it sounds: two or more people who are heading to the same or a similar place travelling by car for all or part of a journey

[CarShare2Cardiff.com](http://CarShare2Cardiff.com) is Cardiff Council's online journey share scheme for organisations in Cardiff:

- it's free for individual members
- it's easy to use
- you can register regular journeys and also one-off trips like meetings
- you don't need a car to car share and you can search for matches for journeys made by walking, cycling, public transport and taxi as well as by car!
- it's a great way to cut your travel costs as well your carbon footprint and to help reduce congestion and pollution. Having fewer cars on the road is good for us all!

"I'm lucky because I car share with someone who lives nearby. It's great because I have company on the long commute to work and I put the petrol money aside to help pay for expensive things like tyres, services and MOTs. Car sharing means less cars on the road and that can only be a good thing - it helps the environment, saves us all money and cuts our commuting times in half!"

[Lisa, regular car sharer](#)

If your employer is a member of CarShare2Cardiff.com, you can sign up and find someone to share your journey to work with.

### Joining CarShare2Cardiff.com:

- go to [www.carshare2cardiff.com](http://www.carshare2cardiff.com) and sign up using your work email address e.g. [acarsharer@cardiff.gov.uk](mailto:acarsharer@cardiff.gov.uk). If you don't have access to an email address from your place of work, contact the Carshare2Cardiff Administrator on [carshareenquiries@cardiff.gov.uk](mailto:carshareenquiries@cardiff.gov.uk) and we can register you on the scheme.
- register your journey: you can choose which days and times you want to share and whether you want to share regularly, for a particular event, or both. You don't have to share everyday, even once a week still makes a difference!
- look for journey share partners: you can choose to search only from inside your own employers group, or from all member organisations
- when you've found possible matches for your journey, you can contact them through the website and decide if you want to try sharing.

Welcome

Car or Journey sharing is when two or more people travel to work together rather than separately, either in one car or by other methods such as walking, cycling, bus, taxi, etc..

- Car or journey share and save money!
- Reduce journey times
- Share and fuel and parking costs
- Help improve the environment
- Walk, cycle, taxi bus and train share

Take a look around the site to find out how to get involved.
