

## Temporary Arrangement

# Westgate St | Castle Street

Due to ongoing works in the city centre and the Coronavirus Pandemic, the Council will be moving forward with a temporary arrangement for both Castle Street and Westgate

The following changes will be installed from mid-late November 2020.

### Castle Street

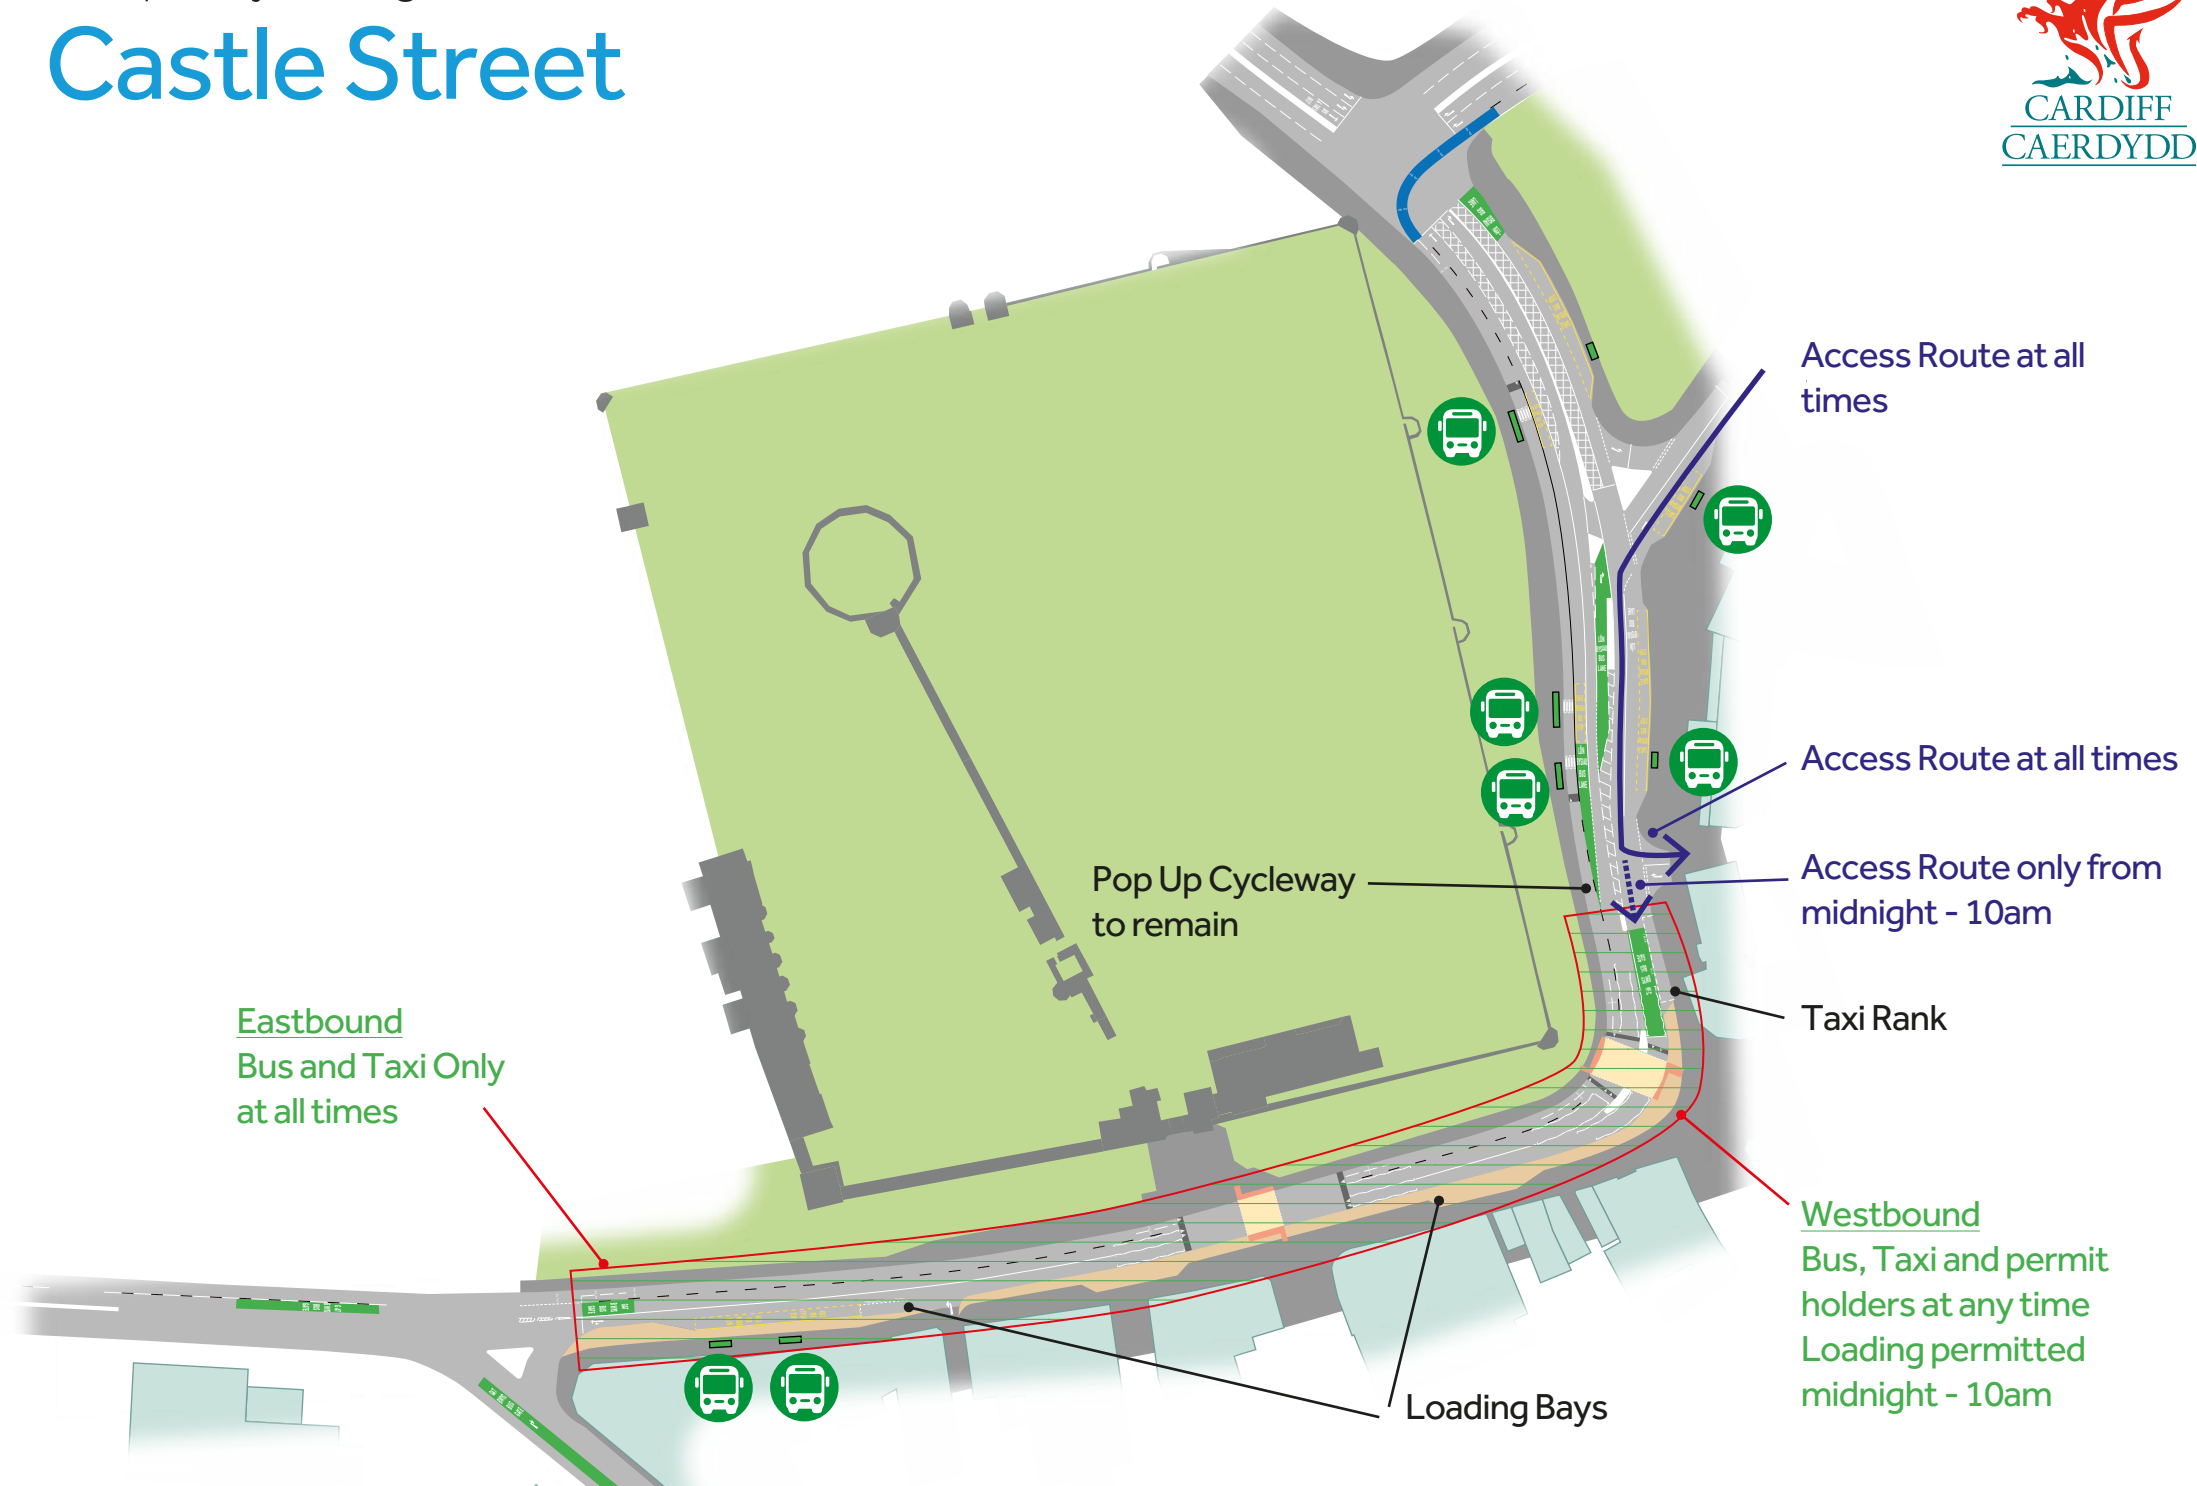

- Access only for Buses, Taxi & Motorcycles
- Delivery access will be permitted from 0000hrs to 1000hrs. Access from North via Greyfriars Road
- Emergency access maintained at all times
- Pavement extension to southside to allow for social distancing and continued business support
- A dedicated taxi rank near Queen Street junction
- Pop Up Cycleway to remain in place

### Westgate Street

- Widening of pavements to aid social distancing and ongoing business support
- Access allowed at all times. From the north via Canton Bridge and from the south via Wood Street

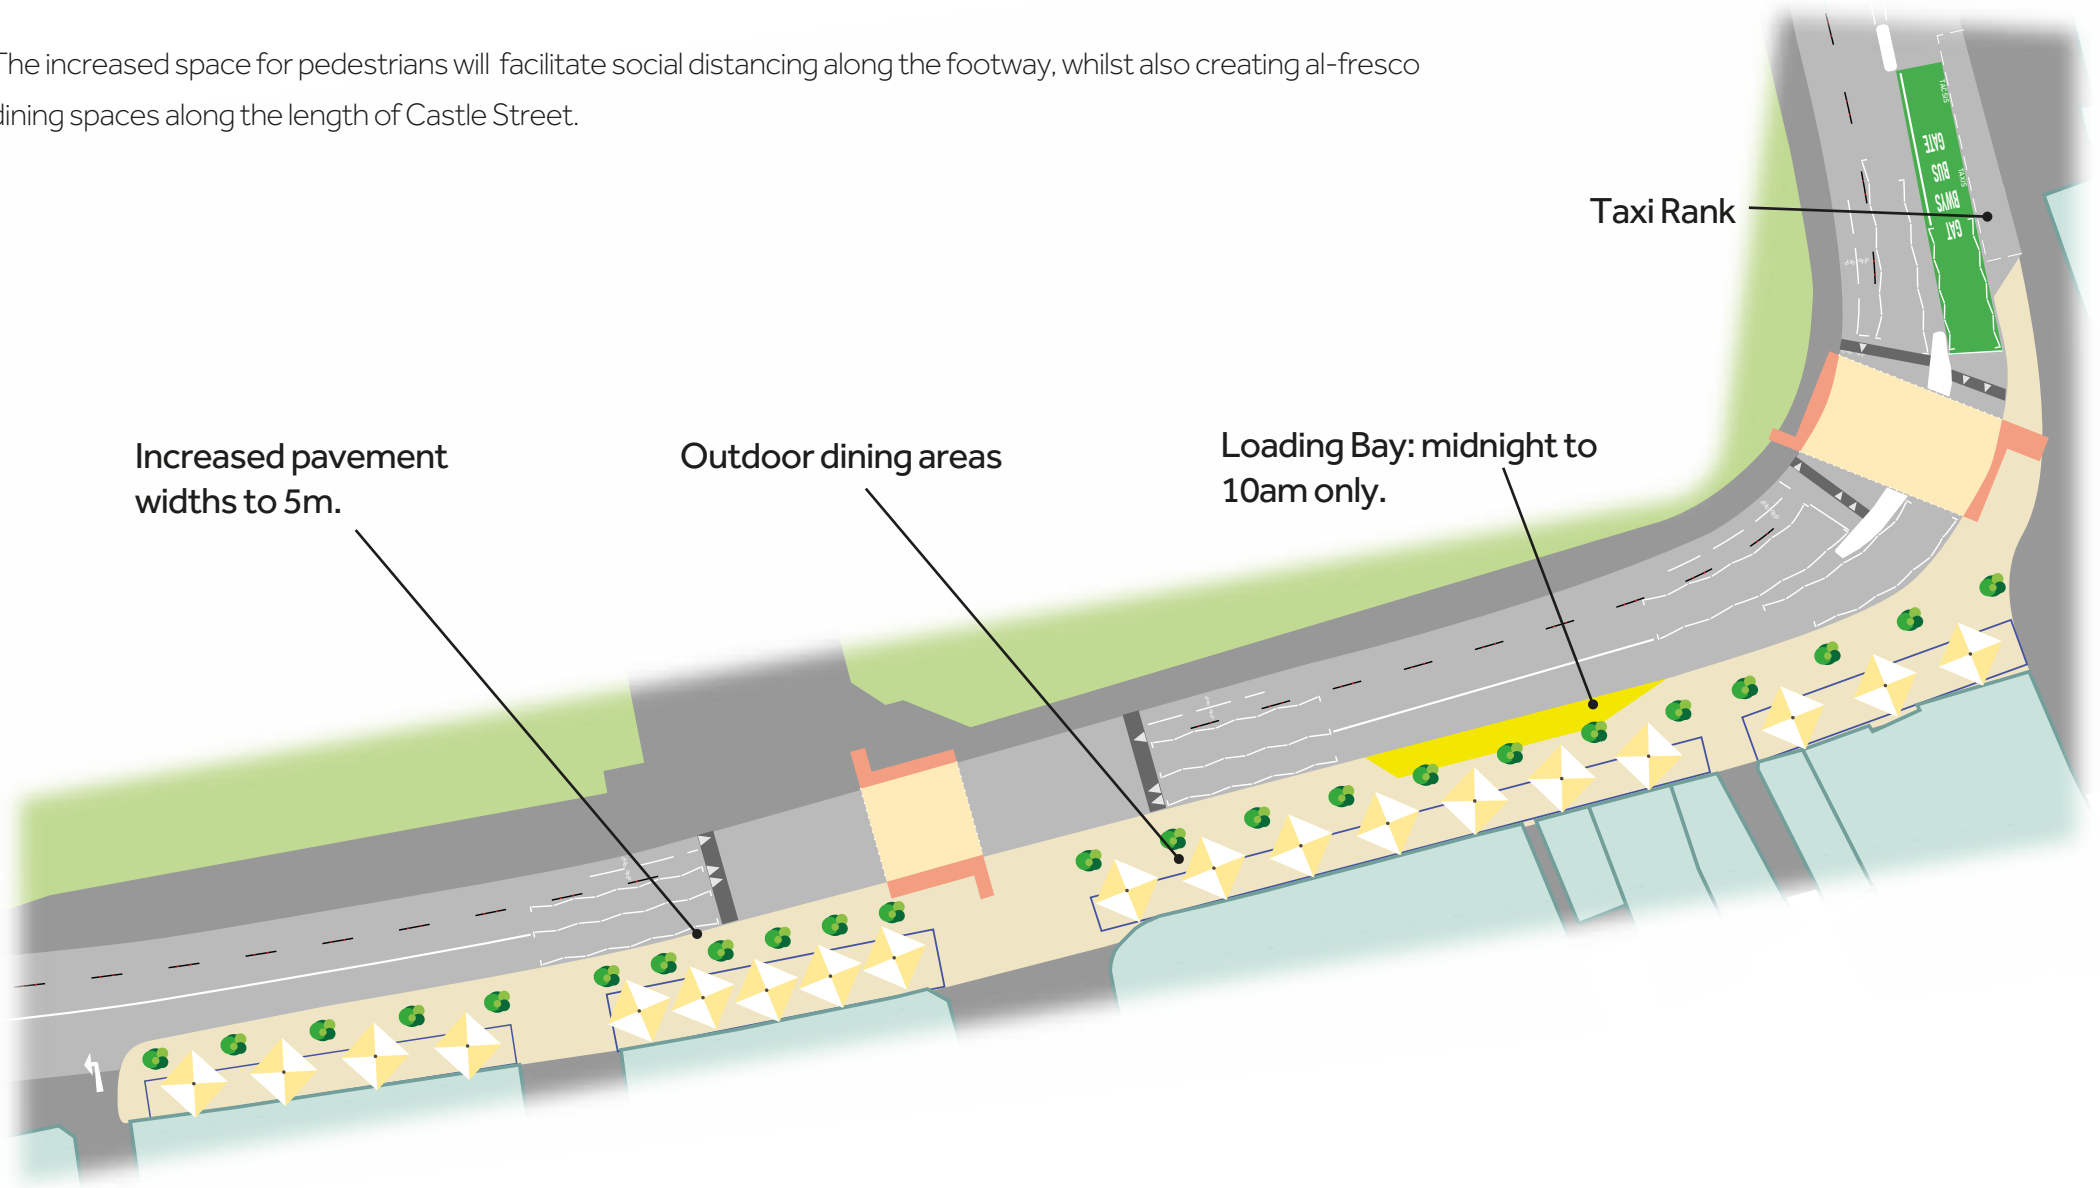

# Temporary Arrangement Castle Street

# Temporary Arrangement Castle Street

The increased space for pedestrians will facilitate social distancing along the footway, whilst also creating al-fresco dining spaces along the length of Castle Street.
