

Westgate Street Bus Gate Scheme Details

From 31/10/2021, work will begin to install the previously consulted bus gate on **Lower Westgate Street**.

The bus gate will come in to force on the **31st of October 2021**. This restriction will mean that there will be no through-traffic on the lower end of Westgate St (past the Guildhall Place turning), and all access to off street car parks will be from the North.
